ABOUT THE COLLEGE

SLC, a co-educational constituent college of the University of Delhi, was established in 1964. SLC is the oldest and pioneer college in East Delhi with a significant role towards community development of the underprivileged surrounding areas. SLC, in recent times, has emerged as a prominent educational institution catering to the holistic educational requirements of the young generation. The endeavor of the College has always been to make higher education inventive, ethical, goal-oriented and meaningful, and at the same time more adaptable to the growing demands of the professional world.

ABOUT NIEPA

The National Institute of Educational Planning and Administration (NIEPA), (Deemed to be University) established by the Ministry of Human Resource Development, Government of India, is a premier organization dealing with capacity building and research in planning and management of education not only in India but also in South Asia. In recognition of the pioneering work done by the organization in the field of educational planning and administration, the Government of India have empowered it to award its own degrees by way of conferring it the status of Deemed to be University in August, 2006. Like any Central University, NIEPA is fully maintained by the Government of India.

ABOUT ACADEMIC AFFAIRS & MONITORING COMMITTEE

The Academic Affairs & Monitoring Committee, SLC has been playing a crucial role in monitoring and improving the academic issues of the college relating to teaching, learning and research. The Committee has taken pioneer academic initiatives by organizing virtual lectures with world renowned academics every year since its inception. The Committee recently launched interdisciplinary students project to encourage and give opportunity to the SLC students to develop and showcase research aptitude. These steps are contributing towards holistic development of the young minds in the College. This FDP is another significant academic enterprise aimed at fostering the teaching and research competences of the teaching faculty of the college.

FDP THEME

Emerging areas of engagement in pedagogy and research have newer dimensions and possibilities for practices of teaching and learning. Pedagogical interventions need to support and promote the independent learning spirit among students while imparting discipline centric education. The opportunities created by new educational tools, technologies and innovation have led to rapid evolution and growth of cross-disciplinary learning possibilities in higher institutions. This program aims to bring to the forefront of academic discussion, the issues of pedagogy; relevance of research oriented teaching and learning; impact assessment of evolving higher education practices etc. In this context, a programme like this identifies the following key areas of holistic engagement in higher education institutions:

- Adopting latest pedagogical tools and practices
 - Research as an integral context of teaching and learning
 - Conducive institutional environment and support
- Shyam Lal College, through programmes like the upcoming FDP thrives to provide complete institutional support and encouragement for incorporating methodologies integral towards achieving these key dimensions of teaching and learning. This programme is structured and developed to encourage participation of young and experienced scholars/faculties to hone their pedagogical and research skills for better engagements.

OBJECTIVES

- Making faculty members aware towards emerging areas of engagement in pedagogy and research.
- Emphasizing on relevance of cross-disciplinary teaching and learning.
- Encouraging use of latest pedagogical tools and practices for effective classroom engagement.
- Holistic improvement of performance of faculty members.
- Developing academic leadership & governance.

EXPECTED OUTCOMES

- Exposure to emerging areas of knowledge and learning
- Interactive engagements motivating faculty/scholars
- Optimum use of ICT in classroom teaching
- Inclination of faculty towards quality research and publication
- Improved faculty engagement benefiting learners/students
- Career advancement and institutional improvements

WHO SHOULD PARTICIPATE

Teaching faculty of Universities and Colleges; Research Scholars and Social Scientists

FDP TRACKS

This multidisciplinary programme spans over six days with four sessions each day. The morning sessions will focus on discussions/interactions around topics of teaching methodology, research methodology, ethics and values in academics. And the post-lunch sessions will be subject specific with special focus on pedagogical interventions and innovations in recent times in the areas of economics, management, literature, governance and historical discourses. Some of the key areas to be covered under the Faculty Development Programme will be:

- ICT usages in teaching and learning
- Exploring research possibilities
- Developing professional ethics and values
- Cross-cultural communication
- Hands on innovations for effective class engagements
- Academic leadership & governance
- Public policy & management
