announces

Interdisciplinary Student Research Projects 2018-19

Please fill out this form in detail.

Project Leader/Team contact details: (There should be maximum five members in the team from atleast two courses)

Name:

Student ID Number:

Mobile:

Email:

Course Name: **Current Year of Course:**

Project Outline (Please include):

- Title
- Introduction
- Aims and Objective
- Material & Methods
- Result & Outcome
- References

(Please emphasize on: Who/what you are hoping to help. Is your project in response to a local need? How have you identified this?)

You may attach a separate sheet, if required.

Resources and Budget: List the resources you will need. How much money will you need to start up your project? Please provide a breakdown of anticipated costs.

Partners: Are you partnering with any other charities or organizations? If so, please give details.

Promotion and Marketing: How will you promote your project?

Sustainability: How will you ensure your project is sustainable? Will it have practical utility and contribute to sustainable practices. (A proposal with practical utility for the college/community/neighbouring areas will be given preference.)

Risk: If successful you will be asked to fill out a risk assessment. At this stage, can you identify what risks may be involved in this project?

Monitoring and Evaluation: How will you monitor results and evaluate the success of your project?

Timeframe: Give an approximate timetable for the delivery of your project.

Timeline of the application process:

Call for Proposals (start and last dates): 1st August, 2018 – 20th August, 2018.

Review of applications: 21st August, 2018 – 30th August, 2018.

Display of shortlisted proposals: 31st August, 2018.

Discussions with probable candidates: 1st September, 2018.

Final Results: 2nd September, 2018

Project/s commence: 5th September, 2018

Dr. Kusha Tiwari (Convenor)
Academic Affairs & Monitoring Committee
Dr. Komilla Suri (Member)

Prof. Rabi Narayan Kar
Principal
